

Dear Supporter of Breastfeeding,

La Leche League of the Garden State is proud to announce its Annual Area Network Breastfeeding and Parenting Conference:

Mother Nature's Finest

April 11-13, 2014
Crowne Plaza Monroe
Jamesburg, NJ

Parenting, breastfeeding and other educational sessions, including CERP sessions for lactation professionals, will be offered to breastfeeding families and those who support them throughout the weekend.

A popular feature at our conference is the exhibitor's hall where companies and organizations display, teach about, and sell their merchandise. We also feature a Silent Auction that is very popular among conference attendees. Would you like to donate a good or service to our Auction? In the past we have had gift cards, books, apparel, services by local companies, tickets, gifts and other items that have been heavily bid on. The exposure your company gets through donation to our auction is a terrific way to market your company to families and professionals while at the same time benefitting our non profit organization dedicated to helping moms and babies.

This year features even more exciting ways to benefit both our organization and your company. A new option we are offering to you this year is the opportunity to sponsor a Conference Event or Project. There are a few options to choose from at varying price points. Please see the Sponsor Options and Donor Form to see if any of these options would give you the opportunity to meet your marketing needs.

Your company could also benefit from a simple monetary donation to the Conference. There are four levels of sponsorship available, all of which allow you to print a message or your company name in the Conference Booklet. The Platinum Level of Sponsorship includes a priority exhibit table in our exhibitor's hall among other great benefits. Please refer to the Sponsor Options and Donor Form for more details and to see the other Platinum benefits.

We are a recognized 501c3 organization so when you benefit our organization you are also benefitting yours! Our tax ID number is 22-2189381. At the conclusion of the Conference you will receive a receipt detailing your donation and it's worth for your tax purposes. I look forward to hearing from you. Do not hesitate to contact me if you have any questions regarding the LLL of the Garden State Conference or your participation.

We are planning for our best Conference ever. Attendees from throughout New Jersey and the surrounding areas will meet to learn and share on so many topics important to today's parents and their supporters!

Sincerely,
Georgette Oosting
